

Week 9: 30th November 2018

22nd Kislev 5779

Dear Parents

This week we reviewed the Hebrew letters and vowels we have learnt so far. The children are doing so well with their Aleph Bet. I am very proud of them! Please use the link below to practise their letters. <http://jitap.net/activities/g3pu/play/>

In addition, we learnt lots of Chanukah songs and also learnt how to play the dreidel game. We are really looking forward to Chanukah!

This week we have also learnt about Parashat Vayeshev. We learnt that Yaakov gave his son Yosef a beautiful coat as a gift. Yosef was delighted with his coat and showed it to his older brothers. This made them feel jealous. Yosef then had two special dreams. One of them was about the sun, moon and stars bowing down to him and the other was about sheaves of corn bowing down to him. Yosef was excited about his dreams and told his brothers about them. This made them feel angry and even more jealous. Linking with the story of Yosef, we encouraged the children to try not to make others jealous of what they have. Everyone has different special things and we should try not to boast about things that we have.

Wishing you all a Shabbat Shalom and a Chanukah Sameach!

Mrs Levy
