Week 7 · 12th April 2019

7th Nissan 5779

Dear Parents,

This week we have been very busy learning about Pesach! We learnt all about why we have bitter herbs (maror), brown paste (charoset) and a vegetable dipped in salt water on the Seder plate. We also finished our seder place mats and look forward to using them! We are excited for our Model Seder on Monday 15th April and have been working hard on practising all our Pesach songs so that we can sing them during the seder and at home over the Chag.

Wishing you all a Shabbat Shalom and Chag Sameach!

Mrs Levy

Please read with your child over the holidays from wherever they are up to in their book unless specific pages were written in reading book.

There is a Hebrew Reading sheet sent home as well. Please find this enclosed in an email too.
