

Primary PE and Sports Premium 2017-2018

At Yavneh Primary School we believe that high quality PE and sport provision are an essential part of our children's education. P.E. and school sport play a very important part in the life of the children in our school. We believe that P.E. and school sports contribute to the holistic development of our children. Through participation, our children are not only getting fitter and learning about the health benefits of sports but are developing stamina, strength, learning to be resilient, being kind and fair as well as learning to co-operate, being respectful and working as a team.

Our Primary School Sport's Funding has enable us to extend our provision enabling our children to participate in high quality sports activities, both as part of the curriculum as well as through extra – curricular opportunities.

In 2017 / 2018 Yavneh Primary School received £9683
